

# AIR HOCKEY

## iPieces®

### Instructions

iPieces offer you a new way of playing together on the iPad.

The popular game of Air Hockey, together with the interactive features of the iPad, provides a unique gaming experience for the whole family.

Experience the thrill of hitting the puck with real iPieces hockey strikers. Represent your country and compete with your friends to win the tournament. The iPieces make playing Air Hockey even more fun!

**Download the free Air Hockey app by Jumbo, designed exclusively for iPieces.**

#### Content

- 2 iPieces hockey strikers
- Instructions

Requires iPad or iPad2 (sold separately)

#### To get started

Available on the  
**App Store**

1. Visit the iTunes app store and download the free application, Air Hockey by Jumbo. You can search for the game by its name "Air Hockey for iPieces" (by Jumbo), by "iPieces" or by developer "Jumbo".
2. Launch the Air Hockey iPad application.
3. Follow the instructions. When asked if you have iPieces, press "Yes".

4. You are ready to play the game!
5. To have the best interactive experience make sure you are holding your iPieces with two or three fingers when it makes contact with the iPad.

6. iPieces are made of strong, durable and abrasion-resistant material. iPieces don't scratch under normal use. Make sure that your iPieces are clean and dry when using them on your iPad. Please note that when used on a protection sheet it might leave small marks.
7. Store your iPieces away from sand and dust. If you have difficulties finding or launching the Jumbo "Air Hockey" app, please visit [www.jumbo.eu/ipieces](http://www.jumbo.eu/ipieces)
